

## DECLARATION OF COMPLIANCE TO ENVIRONMENTAL AND CONFLICT MINERALS DIRECTIVES

To Our Valued Customers:

We here at ZAGO Manufacturing Company, Inc. ("Zago") take our obligations very seriously with respect to our customers, the environment and our compliance with US and EU requirements and directives. Towards that end, we are issuing the following declarations with regard to our adherence to the Dodd-Frank, RoHS and REACH directives as well as California Proposition 65 and the Toxic Substances Control Act ("TSCA").

### **Dodd-Frank Act/Conflict Minerals**

With respect to the reporting obligations for companies listed on the US stock exchange with regard to the use of certain substances coming from the Democratic Republic ("DR") of Congo or its neighbors, we hereby certify that our products do not contain any columbite-tantalite (coltan), cassiterite, gold, tin, tungsten, wolframite or their derivatives nor do we have any connection to any minerals mined by, smelted by, or otherwise originating in DR or its neighboring states and thereby conform to the requirements of Section 15802 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (Public Law Number 111-203).

### **Declaration of Conformity with regard to RoHS**

We hereby confirm the conformity of our products to the RoHS Directive 2011/65/EU as well as the requirements detailed in Directive 2015/863/EU.

### **Declaration of Conformity with regard to REACH**

We hereby confirm that based on information provided by our suppliers and by review of the product composition of the raw materials used in fabrication, ZAGO designates all products it sells as REACH compliant according to EC 1907/2006 including the current 240 Substances of Very High Concern (SVHC), Annex XIV and Annex XVII lists as of January 23, 2024.

### **Declaration of Compliance with California Proposition 65, the TSCA including PFAS**

We hereby confirm that ZAGO has reviewed the list of chemicals identified under California Proposition 65, the TSCA (including PFAS) against the Chemical and Physical Certifications it receives from its raw material suppliers and has determined to the best of its ability that its products do not contain chemicals in concentrations that would require a Proposition 65 warning label, nor does it contain any of the chemicals listed in the TSCA, including PFAS.

Signed for on behalf of Zago Manufacturing Company, Inc.
